HEALTH GREENVILLE GRANT AWARDS - ALL PROCESSES - 2017 - 2021

	Process Name	Project Name	Amount Awarded	Type	Briefly state a descriptive summary of the project
A Child's Haven			**$81,250.00**		
	FY 2019 Healthy Greenville, Too!	Healthy Bodies, Healthy Minds	$6,250.00	One Time	A Child's Haven (ACH) is requesting $25,000 from Healthy Greenville, Too! to support two vital elements of our Therapeutic Child Care Program, direct mental health services and an on-site nurse. Direct services include a combination of group & individual therapy and home visitation to help children we treat overcome behavioral health challenges, allowing them to be successful in a mainstream childcare setting, K-4 or K-5 and their parents to mitigate their own mental health challenges to effectively parent. The second element is our on-site nurse contracted through Prisma Healthcare. ACH families live below or at the poverty level, hence our collaboration with Prisma to ensure nursing care is essential to ensure access to health care. Our nurse administers prescription medications, treats minor injuries and even advises, educates families we serve on medical questions and schedules any necessary appointments at the Center for Pediatric Medicine.
	FY2021 Healthy Greenville	Therapeutic Outdoor Environments (TOEs)	$70,000.00	One Time	A Child's Haven's Therapeutic Outdoor Environments (TOEs) will continue the healing therapy curricula delivered inside our facility as children venture outside for educational play. A specialist provider, trained in both early childhood education and age-appropriate outdoor activity, will deliver outdoor therapy using evidence based and trauma informed curricula and programming to ensure measurable results in accordance with the other programs at ACH.
	FY2021 Healthy Greenville, Too!	Transforming Play Areas Into Therapeutic Outdoor Environments	$5,000.00	One Time	Our Therapeutic Outdoor Environment project will continue the healing therapy curricula delivered inside our facility as children venture outside for educational play. Outdoor therapy will be planned and led by a specialist provider trained in both early childhood education and age-appropriate outdoor activity. The curricula and programming will be evidence based and trauma informed to ensure measurable results in accordance with the other programs at ACH.
BJU, Inc.			**$6,250.00**		
	FY 2019 Healthy Greenville, Too!	The HEAL Program (Healthy Eating and Active Living)	$6,250.00	One Time	The School of Health Professions at Bob Jones University (BJU) and the Phillis Wheatley Center have partnered together to provide a free wellness program to reduce health disparities and improve the well-being of the socioeconomically disadvantaged residents of the Arcadia Hills community and the center's broad constituent base. A wellness program will be implemented at the Phillis Wheatley Center and administered by the BJU Health and Exercise Sciences faculty. The program seeks to increase community awareness of the role of a healthy diet and regular physical activity in preventing and managing chronic disease while also empowering residents to reduce their risk factors for chronic disease.
CENTER FOR EDUCATIONAL EQUITY			**$13,942.00**		
	FY 2019 Healthy Greenville, Too!	Mitigating ACE's (Adverse Childhood Experiences)	$6,250.00	One Time	The Center for Educational Equity (CEE) will implement 10 major after-school program activities to mitigate the traumatic effects of ACE's. ACE's (Adverse Childhood Experiences) include physical abuse, mental abuse, household substance abuse, parent incarceration, parent divorce, criminal domestic violence and other experiences, which scar the lives of children and leave them prone to obesity, drug use, smoking, anger and frustration. The 10 major activities provided by CEE, among low income at-risk students, for over 18 years, have built resilience, character and perseverance in their lives. Students will see themselves as winners and not losers. (Sources: ACE's data and reports by the Children's Trust of South Carolina, and the National Conference of State Legislators).
	FY2020 Healthy Greenville, Too!	Mitigating ACEs	$7,692.00	One Time	CEE's Academic Success Center and the Greenville Boxing and Fitness Club will mitigate the traumatic effects of Adverse Childhood Experiences (ACEs) by providing access to academic and fitness opportunities. These opportunities will be provided through CEE's after-school program.
Clemson University - Public Health Sciences			**$2,745,272.00**		
	2017 Grant Recipient	Integrated Services for Diabetes Prevention and Management	$2,186,300.00	5 YR	Two critical and complementary initiatives: (1) Health Extension for Diabetes led by Clemson (2) Diabetes Prevention Program led by GHS and CU. Together we will recruit, educate and deploy a population health workforce to manage/prevent diabetes by offering community-based client support services.
	FY 2018 Healthy Greenville	Mindfulness Training for People with History of Depression, Anxiety, Substance abuse or Inactivity	$558,972.00	5 YR	Working with community partners, we will provide mindfulness training programs to priority populations in Greenville County. Our proposed interventions will prevent depression relapse, enhance recovery from alcohol and opioid misuse, and increase physical activity while training local professionals.
Clemson University - School of Nursing			**$410,000.00**		
	2017 Grant Recipient	Expanding Primary Care Access Through Nurse Practitioner Education Support	$410,000.00	2 YR	Access to patient-centered, primary care will be expanded through a partnership between Clemson University School of Nursing and Greenville Health System to provide academic, scholarship, and mentorship support to Nurse Practitioner students, from diverse, underrepresented backgrounds.

HEALTH GREENVILLE GRANT AWARDS - ALL PROCESSES - 2017 - 2021

	Process Name	Project Name	Amount Awarded	Type	Briefly state a descriptive summary of the project
Communities in Schools Greenville			**$1,681,780.00**		
	FY 2018 Healthy Greenville	Integrated Student Support Services	$1,681,780.00	5 YR	The Communities In Schools model of Integrated Student Support Services delivers school-based programming to students with a high number of Adverse Childhood Experiences. Services mitigate the negative health impacts of trauma by building self-regulation, mindfulness, relationships, & resilience.
FAVOR Upstate			**$335,000.00**		
	FY 2019 Healthy Greenville	FAVOR Interventions at Emergency departments in the Greer & Hillcrest Territories (FIEGHT)	$335,000.00	3 YR	The FIEGHT program will expand the highly successful FAVOR Overdose Recovery Coaching Evaluation (FORCE) from Greenville Memorial Emergency Department to the Emergency Department(s) at Greer & Hillcrest. We will utilize the same FORCE Memorial ED protocols (24/7 recovery coaching response and 12 month follow-up) at Greer & Hillcrest. The Healthy Greenville grant will allow us to staff Greer & Hillcrest to ensure the success can replicated in these communities. Operational since January 2018 the FORCE program has successful engaged over 200 overdose survivors with 65% follow up/retention success, 72% success in linkage to treatment and only 8.9% recidivism to the health system (for any reason). FORCE has received national and regional recognition including awards from the federal government (Department of Justice); state government (SC Governor's Opioid Summit) and several national professional organizations including the American Association of Medical Colleges.
First Impression of SC			**$5,000.00**		
	FY2021 Healthy Greenville, Too!	BOTH-Be on Top of Your Health	$5,000.00	One Time	Be on Top of Your Health is a community wide initiative creating environments that promote good health for all-reducing disparities among the African American, Hispanic, and low-income minority populations in Greenville County.
Fostering Great Ideas			**$5,000.00**		
	FY2021 Healthy Greenville, Too!	Sibling Connections While in Foster Care	$5,000.00	One Time	There are 876 sibling sets in SC foster care with 474, or 54%, separated from one another. These children are in a state of flux, longing for the people they love most of all. Our Sib-Link program provides these children monthly, fun, engaging, visits that restores family relationships and sets up a protective buffer for the trauma and disappointments within foster care.
Fountain Inn Kid Enrichment Center			**$6,000.00**		
	FY2021 Healthy Greenville, Too!	FIKE After School Program	$6,000.00	One Time	Fountain Inn Kids Enrichment Center (FIKE) is a non-profit organization with a mission to come alongside families in the Fountain Inn community who are struggling by serving their children with a safe, free after school environment. Our mission is to ENCOURAGE children towards social and educational improvements, EDUCATE students on the importance of staying healthy with diet and exercise, and ENRICH a child's life by surrounding them in a supporting environment to become beneficial members in their community. FIKE pours into the lives of at risk students by developing relationships, providing assistance with their education, and make it a safe place where they can be a kid.
Furman University-Ins. Advancement of Community Health			**$592,486.00**		
	FY 2018 Healthy Greenville	Addressing Health-Harming Legal Barriers in the Senior Population	$592,486.00	3 YR	We will expand the existing Medical Legal Partnership (MLP) to directly address health-harming civil legal barriers facing vulnerable geriatric populations. This will lead to reduced barriers to health, improved health outcomes, patient satisfaction, and policy changes benefiting seniors' health.
Gateway House, Inc.			**$750,000.00**		
	2017 Grant Recipient	Capital Support	$250,000.00	One Time	Gateway the premier adult mental health resource in Greenville will build a new facility doubling its capacity to provide rehabilitation opportunities to 450+ adults recovering from effects of serious & persistent mental illness so they may lead vocationally productive and socially satisfying lives.
	FY 2019 Healthy Greenville	Capital Support	$500,000.00	3 YR	Gateway will complete construction of a new facility, doubling its capacity to provide rehabilitation opportunities to 450+ adults recovering from effects of serious and persistent mental illness so they may lead vocationally productive and socially satisfying lives. Gateway has served the Greenville community for 34 years as the premier mental health resource meeting high success in transforming lives of adults living with mental illness.
Girl Scouts of South Carolina Mountains to Midlands			**$5,000.00**		
	FY2021 Healthy Greenville, Too!	My Best Self with Girl Scouting	$5,000.00	One Time	This fall, Girl Scouts of South Carolina Mountains to Midlands will launch our new membership year. We are requesting $6,000 to provide eighty sponsored memberships and uniforms for girls in Greenville County. Many of our Girl Scout families have faced financial hardships since the pandemic began last spring and this funding will allow us to serve any and all families who wish to be a part of Girl Scouting regardless of their ability to pay.

HEALTH GREENVILLE GRANT AWARDS - ALL PROCESSES - 2017 - 2021

	Process Name	Project Name	Amount Awarded	Type	Briefly state a descriptive summary of the project
Greenville Area Parkinson Society			**$25,662.00**		
	FY2020 Healthy Greenville	Respite Care Expansion for Parkinsons	$25,662.00	One Time	GAPS proposes to expand its GAPS Recharged program, a weekly free three-hour respite care for members. Caregivers get a much-needed break while a certified Program Director and volunteers engage with Parkinson's patients in various activities including exercise, games, crafts, and socializing.
Greenville County First Steps			**$270,000.00**		
	2017 Grant Recipient	Childcare Scholarships	$270,000.00	3 YR	Over three years, the childcare scholarship program will support 405 families in need of quality childcare assistance with priority given to children born to teen parents (those enrolled in Little Steps program), with the majority (390) given to GHS Nurse Family Partnership (NFP) participants.
Greenville County Schools			**$302,705.00**		
	FY2021 Healthy Greenville	EMT Certification Training Program	$302,705.00	3 YR	Greenville County Schools (GCS), in collaboration with Prisma Health and Greenville County EMS, is requesting $302,705 over 3 years to expand the EMT Training Program. The program expansion will enable GCS to annually train an additional 24 high school seniors from the 15 district high schools as emergency medical technicians (EMT).
Greenville County, SC-EMS			**$2,546,000.00**		
	2017 Grant Recipient	Improved Access to Acute Episodic Care Through Integrated Prehospital Care Response	$2,546,000.00	4 YR	Enhancing first responder services via quality training and equipment, adds 900 fire fighters and 266 road deputies to the prehospital chain of care, revolutionizing access to healthcare thru standardized response configurations and abilities while improving and expanding the healthcare workforce.
Greenville Free Medical Clinic			**$1,374,000.00**		
	FY 2018 Healthy Greenville	Increasing access to care for low-income uninsured patients	$594,000.00	3YR	Greenville Free Medical Clinic is a multi-disciplinary team of volunteer and staff professionals who provide free care to low-income uninsured Greenville County residents. GFMC proposes to increase access to patient care by expanding satellite site capacity by precepting Nurse Practitioner students.
	FY2021 Healthy Greenville	Healthcare Access for the Uninsured to Reduce Health Disparities	$780,000.00	3 YR	Increase and enhance health services, particularly messaging and preventive screenings, to improve the health outcomes of all patients. Comprehensive care services include primary and specialty medical care, a broad range of oral health services, prescription medications (non-narcotic) and refills, behavioral health counseling, health education and coaching for disease management and healthy lifestyle change, and added case management and patient navigation services. Standardized metrics for healthcare quality measurement for Greenville Free Medical Clinic patients will be compared to county, state and national benchmarks, and utilized to explore a unique value-based care partnership between GFMC and local health systems.
Greenville Tech Foundation			**$12,692.00**		
	FY 2019 Healthy Greenville, Too!	GTC Education & Prevention to Improve Community Dental Care (GTC EPIC Dental Care)	$5,000.00	One Time	GTC's dental hygiene associates degree program is the largest program in Greenville County and addresses the continually rising need for care in the community. The program supplements classroom experience with real-life clinical experience, preparing the area's Dental Hygiene workforce to provide high levels of care. GTC's 33-chair public clinic is a critical part of the program, providing training for students while also helping to meet community preventative dental care needs. However, very expensive and ever-changing instrumentation necessary to provide the only dental hygiene associates degree program in Greenville County is straining institutional resources. This equipment, including the current autoclave, quickly becomes obsolete and worn out due to the nearly free services provided to over 1,605 patients just in 2018.
	FY2020 Healthy Greenville, Too!	GTC Education & Prevention to Improve Community Dental Care (GTC EPIC Dental Care)	$7,692.00	One Time	Greenville Technical College's (GTC) dental hygiene associates degree program (The Program) is the largest program in Greenville County and addresses the continually rising need for care in the community. The program supplements classroom experience with real-life clinical experience, preparing the area's Dental Hygiene workforce to provide high levels of care. GTC's 33-chair public clinic is a critical part of the program, providing training for students while also helping to meet community preventative dental care needs. Students care for more than 1,500 patients in GTC's clinic and touch the lives of hundreds more through educational outreach. Students provide free dental care items to patients with a limited department budget that is unable to fund the quantity of items provided to patients such as toothbrushes, toothpaste, specialized dental brushes, floss, and educational materials.
Greenville Technical Charter High School			**$5,000.00**		
	FY 2019 Healthy Greenville, Too!	Get Intentional Toward Fitness (G.I.F.T.)	$5,000.00	One Time	Exercise safety program to 1) educate students involved in HOSA specifically about injuries specific to exercise and how to prevent them and increase physical activity among typical students; 2) educate all students about injury prevention during activity and proper care; 3) implement mentoring and shadowing of HOSA participants with Certified Athletic Trainers to get hands on experience in assisting with proper injury prevention techniques and treatment of injury; and 4) replicate this program throughout the 3 Greenville Technical Middle College programs.

HEALTH GREENVILLE GRANT AWARDS - ALL PROCESSES - 2017 - 2021

	Process Name	Project Name	Amount Awarded	Type	Briefly state a descriptive summary of the project
Greer Community Ministries, INC			**$5,000.00**		
	FY2021 Healthy Greenville, Too!	Meals on Wheels	$5,000.00	One Time	Greer Community Ministries Meals on Wheels performs a public service to the Elderly and disadvantaged population in the Greater Greer area by preparing and delivering meals to over 350 clients, five days a week. The total meals delivered in the course of a year is well over 85,000.
International Ballet			**$13,942.00**		
	FY 2019 Healthy Greenville, Too!	Special Needs Dance Class	$6,250.00	One Time	International Ballet offers a weekly dance class to individuals with Special Needs for THRIVE Upstate and independent individuals with disabilities. The class integrates body conditioning, musicality, team work, discipline, and emotional support, bonding and camaraderie in a venue outside of their daily Special Needs Centers.
	FY2020 Healthy Greenville, Too!	Accessibility Dance Classes	$7,692.00	One Time	International Ballet offers a weekly dance class and an opportunity to perform for individuals with accessibility issues for THRIVE Upstate and independent individuals with accessibility issues. The class integrates body conditioning, musicality, team work, discipline, and emotional support through bonding and camaraderie in a venue outside of their daily centers. Participants also receive free tickets to the Peace Center for Nutcracker performance.
Jasmine Road, Inc.			**$7,692.00**		
	FY2020 Healthy Greenville, Too!	Healing Trauma Through Innovative Mental and Behavioral Healthcare	$7,692.00	One Time	Jasmine Road's two-year "housing-first" residential program serves to heal, empower, and employ adult female survivors of human trafficking, prostitution, and addiction. The essential components of the two-year program include two years of rent-free housing, addiction recovery services, mental and physical health and wellness, continuing education opportunities, vocational training and employment, financial sustainability, and necessary life skills to empower each woman to reintegrate into society as a contributing member. Jasmine Road surrounds women survivors with a supportive community and provides new opportunities to reclaim their lives, their physical and mental health, and their autonomy. This project request will provide the necessary funding for residents of Jasmine Road to have the access to mental and behavioral healthcare services they need to overcome the social determinants of their health that have hindered them from moving forward.
Julie Valentine Center			**$5,000.00**		
	FY2021 Healthy Greenville, Too!	Mental Health Services for Sexual Assault and Child Abuse Survivors	$5,000.00	One Time	Julie Valentine Center recognizes sexual assault and child abuse are intrusive and harmful events often resulting in significant negative short and long effects on victims, their families, and the entire Greenville community. Healthy Greenville, Too grant funds will be used to support mental health services for adult survivors of sexual assault and/or childhood sexual abuse.
Just Say Something			**$10,000.00**		
	FY 2019 Healthy Greenville, Too!	Strengthening Families Program Greer	$5,000.00	One Time	The Strengthening Families Program is a free 14-week family skills program designed to improve family relationships, parenting skills and improve children's life skills using a structured curriculum of mealtime, interactive classes, and hands on activities. The topics include communication skills, listening skills, speaking skills, establishing limits and responsibility, problem solving, and family meetings. Material addresses the risk factors of disorganized families particularly those with ACEs (Adverse Childhood Experiences) to developing parenting and relationship tools that help break negative behavior cycles and habits.
	FY2021 Healthy Greenville, Too!	Strengthening Families Program Greer	$5,000.00	One Time	The Strengthening Families Program is a free 14-week family skills program designed to improve family relationships, parenting skills and improve children's life skills using a structured curriculum of mealtime, interactive classes, and hands on activities. The topics include communication skills, listening skills, speaking skills, establishing limits and responsibility, problem solving, and family meetings. Material addresses the risk factors of disorganized families particularly those with ACEs (Adverse Childhood Experiences) to developing parenting and relationship tools that help break negative behavior cycles and habits. Breaking these habits is known to prevent child abuse.
LEAD Collective Inc.			**$7,692.00**		
	FY2020 Healthy Greenville, Too!	Eleos Internship Program	$7,692.00	One Time	This grant will be used towards hiring a part-time intern from the Nicholtown community, to serve in the Eleos After School program. The Éleos After School Program takes a holistic approach towards health and wellness, serving both the physical and mental health needs of Middle and High School students. After School includes tutoring, creative arts, basketball, healthy meals, and even free counseling through a new strategic partnership with the Heritage Family Center.
Little Steps			**$588,800.00**		
	2017 Grant Recipient	Next Best Steps	$588,800.00	5 YR	Next Best Steps will enable Little Steps to provide more individualized case management to help young families determine their best path forward. This will build capacity while tracking teen births, STDs, low birth weights, lack of insurance, primary care physicians and mental health providers.

HEALTH GREENVILLE GRANT AWARDS - ALL PROCESSES - 2017 - 2021

	Process Name	Project Name	Amount Awarded	Type	Briefly state a descriptive summary of the project
LiveWell Greenville			**$5,000.00**		
	FY2021 Healthy Greenville, Too!	Addressing Food Insecurity in the White Horse Road Corridor	$5,000.00	One Time	This project will aim to increase healthy food access for school-aged youth that are food insecure in the White Horse Road Corridor. These funds will help support weekend backpack meals that will provide nutritious, non-perishable, easy-to-prepare food to children to ensure they get enough food on weekends and holidays to avoid hunger when not in school.
Meals on Wheels Greenville			**$38,942.00**		
	FY 2019 Healthy Greenville, Too!	Continuity of Care Program for Highly Vulnerable Homebound Seniors & Individuals	$6,250.00	One Time	The Continuity of Care Program allows Meals on Wheels to maintain nutritional support of our most vulnerable clients by delivering frozen evening, and/or frozen weekend meals for those individuals with no functional sources of support: financially, physically or emotionally to provide a nourishing meal on evenings or weekends. This program prevents hunger and malnutrition for low income, food insecure individuals by supplementation of the daily hot meal delivery with dedicated meals for non-delivery times or days.
	FY2020 Healthy Greenville, Too!	Specialty Meal Program for Clients Requiring Meal Modification	$7,692.00	One Time	The Meals on Wheels Specialty Meal Program provides meals prepared to specific preparation and/or ingredient guidelines for clients facing physical limitations, as referenced by physician or health care provider documentation, in daily nutritional needs. Specialty Meals include chopped, pureed, renal and vegetarian selections. The availability of a specialty meal ensures that this subset of our client population can continue to receive a hot, nutritious and medically appropriate meal each day which aids in the maintenance of physical and emotional health and individual independence.
	FY2020 Healthy Greenville COVID-19 Emergent Grants	COVID-19 Grant for Healthy Food During Pandemic	$25,000.00	One Time	Up to $25,000 to support COVID-19 work around access to healthy food. In the current climate, Meals on Wheels has ramped up their service to homebound and elderly residents. They rely 100% on community support for funding. According to their website, each meal costs $6-7 to prepare and deliver. The Healthy Greenville grant will supplement the work of Meals on Wheels during the crisis.
Meyer Center for Special Children			**$3,000.00**		
	FY2021 Healthy Greenville, Too!	Special Needs Medical Training	$3,000.00	One Time	The Meyer Center serves children with disabilities (from birth through 2nd Grade), many of whom have mild to complex medical needs. Medical equipment and training is critical, and funding this project will support our nursing program, ensuring that students continue to receive the best medical care possible. Additionally, the medical training dolls will allow nursing, teaching and therapy staff members to practice administering medical services on the dolls rather than a child.
Mill Community Ministries			**$503,655.00**		
	FY2020 Healthy Greenville COVID-19 Emergent Grants	COVID-19 FoodShare Grant	$45,000.00	One Time	No. 1: Up to $25,000 to support COVID-19 work-around access to healthy food. FoodShare reaches a different underserved population than Meals on Wheels and provides food boxes to needy families in Greenville County. Healthy Greenville will help fund the cost of the food boxes to those impacted by COVID-19 furloughs, layoffs or sickness during the crisis. Dan Wiedenbenner of FoodShare (Mill Village Farms) said the organization has already seen and substantial rise in the need for food. No. 2: Matching funds up to $20,000 for fund raising effort for FoodShare to continue to provide meals during the pandemic
	FY2021 Healthy Greenville	FoodShare Greenville - Healthy Eating Prescription Program	$458,655.00	3 YR	FoodShare Greenville connects families and communities to fresh fruits and vegetables through bi-weekly fresh food boxes, currently distributed to an average of 900 families every other week. This project will significantly expand the proven FoodShare model to: 1) equip healthcare & community partners with vouchers to prescribe healthy food boxes as preventative medicine to residents experiencing food insecurity, 2) launch additional convenient access points in food-insecure census tracts, and 3) lead health education programming for FoodShare Greenville customers.
Miracle Hill			**$22,176.65**		
	FY2020 Healthy Greenville COVID-19 Emergent Grants	COVID-19 Grant - Rescue Mission for COVID-19 Positive Homeless in Greenville	$22,176.65	One Time	Miracle Hill (COVID-19) Shelter (total grant funding to date $10,161.59 – additional invoice was submitted in June for $12,014.65 – total $22,176.65): Up to $100,000 to help with the operating expenses of shelters (for men and women) being set up for those who have tested positive for COVID-19 (those expenses may include personal protection equipment; nursing assistance, extra staffing, etc.). Ryan Duerk, Miracle Hill CEO, “In the midst of this crisis, it is our privilege and calling to continue that tradition by serving the COVID-19 positive homeless residents in Greenville County. We are grateful that Greenville Health Authority/Healthy Greenville has stepped up to support us during this time.
North Greenville Crisis Ministry			**$7,692.00**		
	FY2020 Healthy Greenville, Too!	Crisis Assistance Program	$7,692.00	One Time	This micro grant would enable our Ministry to provide rent or utility assistance of up to $120.00 for up to 25 families per month. Currently, we assist up to 20 families per month with crisis assistance. Increasing up to 25 families per month(60 additional families per year) would be a great benefit to our client base. Currently, families are eligible for crisis assistance once per year. Rate increases in utilities and unusual weather has resulted in higher utility bills over the last two years. As our area continues to grow, rent increases have become significantly higher.

HEALTH GREENVILLE GRANT AWARDS - ALL PROCESSES - 2017 - 2021

	Process Name	Project Name	Amount Awarded	Type	Briefly state a descriptive summary of the project
Pendleton Place			**$769,336.00**		
	FY 2018 Healthy Greenville	Improving the Physical & Mental Health of Young Children Entering Foster Care in Greenville County	$769,336.00	3 YR	The Assessment Center at Pendleton Place, is a multi-agency collaboration designed to increase access to healthcare & improve the mental health, safety, & well-being of children entering foster care by providing medical, developmental & behavioral health assessments upon entry into foster care.
Piedmont Women's Center			**$3,000.00**		
	FY2021 Healthy Greenville, Too!	Free STI Testing & Treatment Program	$3,000.00	One Time	The Free STI Testing & Treatment Program at Piedmont Women's Center is designed as a multi-step process where patients not only receive free testing and treatment, but are also educated on sexual behaviors and Sexually Transmitted Infections (STIs). The program objectives are to offer a free service for individuals who cannot afford STI testing and treatment and reduce the workload of the Greenville County health system. The Free STI Testing & Treatment Program began serving patients in 2019 under the professional guidance of the Director of Medical Services, Brenda Bagwell, RN, MSN.
Prisma Health-Upstate			**$3,439,253.00**		
	2017 Grant Recipient	Comprehensive School Health Promotion: Increasing Community-Based Healthy Eating & Physical Activity	$3,339,253.00	5 YR	The project seeks to develop a comprehensive, school based health promotion plan centered around existing school based health centers and health education programs in low-income middle schools, as well as nutrition and physical activity initiatives occurring from preschool to middle school.
	FY 2019 Healthy Greenville	Mobile Mammography Initiative	$100,000.00	One Time	Our Mobile Mammography Clinic focuses on the development of medical resources that address barriers to care and assist with breast cancer prevention efforts. The Mobile Mammography Clinic provides proactive healthcare to our patient population and will help to decrease barriers in access to preventative care as part of a larger population health management strategy to improve the health of the Communities we serve.
Project Host Inc.			**$5,000.00**		
	FY2021 Healthy Greenville, Too!	Garden to Table Food Education Program	$5,000.00	One Time	Project Host plans to work with its summer kids' program partner sites to offer a two-course educational pilot program that utilizes the Project Host garden to educate kids about where their food comes from and the Project Host bakery and food truck to teach them how to prepare healthy, fresh meals for themselves and their families. The initial session will take place at Project Host as a site-organized field trip with transportation and chaperones provided by the partner sites. Children will be split into three rotating groups: one that learns about food growing in the garden; one that tours Project Host, where children will meet the culinary chef and students who prepare the children's daily meals and where they will perform a kid-friendly service project; and one that utilizes garden-fresh food for hands-on healthy snack preparation in our bakery. The second session will take place at each community site (listed below) and will feature a cooking class taught on our food truck, where students will be taught how to cook a healthy, hot meal and will be able to take ingredients home to replicate the recipe with their families. This pilot program will be carried out in partnership with Clemson Youth Learning Institute SNAP-Ed program, as well as three summer partner sites.
Rebuild Upstate			**$7,000.00**		
	FY2021 Healthy Greenville, Too!	Healthy Homes Initiative	$7,000.00	One Time	Rebuild Upstate exists to repair homes of our low-income neighbors to make homes safer, healthier, and more livable. The Healthy Homes Initiative sustains affordable housing through preservation while creating a healthier home. Following social determinants of health, repairs made will focus on both immediate and long-term health outcomes such as accessibility and access to healthier living, bathroom repairs, and mold remediation.
Ronald McDonald House Charities of the Carolinas			**$7,692.00**		
	FY2020 Healthy Greenville, Too!	Prisma Health Children's Hospital Support Project	$7,692.00	One Time	Ronald McDonald House Charities of the Carolinas supports the efforts of Prisma Health Children's Hospital as they care for medically fragile children. An important part of this support is making sure children in their care have a familial support system close by. We are located directly across the street with full service lodging.
Safe Harbor, Inc.			**$12,692.00**		
	FY 2019 Healthy Greenville, Too!	New Shelter for Domestic Violence Victims	$5,000.00	One Time	Safe Harbor is requesting funds to purchase an estimated three acres of land for construction of a new Greenville shelter. We are replacing our current shelter for domestic violence victims because: 1) Our current shelter is almost 100 years old and is presenting significant structural, plumbing, and electrical problems; 2) Area development is affecting our privacy and confidentiality; and 3) We need additional space. The new shelter will serve 350+ victims in Greenville County per year.

HEALTH GREENVILLE GRANT AWARDS - ALL PROCESSES - 2017 - 2021

	FY2020 Healthy Greenville, Too!	Mental Health Counseling for Domestic Violence Victims	$7,692.00	One Time	Safe Harbor is requesting funds to provide mental health counseling for victims of domestic violence. Specialized counseling services help a client process the abuse, heal from it, and move beyond it to a place of stability, independence, and empowerment. Safe Harbor Counselors also provide advocacy services, safety planning, and general domestic violence education. An estimated 175 victims will be served through this project.
Specialized Alternatives for Families & Youth			**$5,000.00**		
	FY2021 Healthy Greenville, Too!	The Empowering Families Program Basic Needs Initiative	$5,000.00	One Time	Specialized Alternatives for Families and Youth of South Carolina's (SAFY of SC) Empowering Families Program puts Greenville families on a path to creating and maintaining safe and healthy well-being for every member. Working alongside the family, we build lifelong skills enabling the family to achieve a healthy physical, social and emotional well-being. Our Basic Needs Initiative will work to help alleviate small stressors for families before cumulating into greater issues.
Servants for Sight			**$246,564.00**		
	FY 2019 Healthy Greenville, Too!	Fighting Blindness Among Indigent Populations: Servants for Sight Diabetic Retinopathy Program	$6,250.00	One Time	Servants for Sight requests funding for diabetic retinopathy program that is helping people in poverty across Greenville County get access to vision-saving eye care from the highest quality medical professionals in the region. Diabetic eye disease is a leading cause of blindness in American adults aged 20-74, and diabetic retinopathy affects 80% of people who have had diabetes for 10 years or more. However, 95% of severe vision loss related to diabetic retinopathy can be can be prevented by early detection, timely treatment, and appropriate follow-up. Grant funding will be used to support preliminary vision screenings of indigent residents by Servants for Sight team members and case management for follow-up eye exams by eyecare professionals.
	FY2021 Healthy Greenville	Seeing the Future Clearly: An Affordable Eye Care Plan for Greenville County	$233,314.00	3 YR	Servants for Sight requests $233,314 over three years to provide comprehensive eye care services for an estimated 1,565 Greenville County residents who are suffering from poor vision or eye disease and lack access to care. Through a network of referral agencies, a Mobile Vison Van that conducts free vision screening events, and a growing roster of pro bono providers, SFS offers reading glasses, prescription glasses, cataract surgeries, and other eye disease treatments to promote the eye health and self-sufficiency of Greenville's most vulnerable residents.
	FY2021 Healthy Greenville, Too!	Putting Love into Focus - Eye Care for Greenville's Uninsured	$7,000.00	One Time	Servants for Sight requests $10,000 to ensure that Greenville's most vulnerable residents have access to needed eye care, a critical part of overall physical health, mental well-being, and self-sufficiency. Funding will support Servants for Sight's Mobile Vision Van, which will provide free vision screenings and free reading glasses to approximately 500 low-income, uninsured Greenville residents this year. Patients who need follow-up care are referred to a partner medical provider who offers their services at no cost, while Servants for Sight covers all hard costs for our patients, including prescription glasses, eye disease treatments, and cataract surgeries.
Sustaining Way			**$13,942.00**		
	FY 2019 Healthy Greenville, Too!	Empowering Nicholtown with Greater Access to Healthy Food, Nutrition Education, & Efficient Homes	$6,250.00	One Time	Sustaining Way (SW) requests $20,000 to support three new initiatives that will increase access to healthy food, improve residents' knowledge of nutrition and healthy behaviors, and help reduce utility expenses, eliminating the need for residents to choose between paying utilities or paying for medication and healthy food. • Sustaining Way will pilot expanded outreach of our Steward Education program through a new partnership with Greenville County Schools. We are in discussions with six target schools that serve Nicholtown Youth to provide Steward Education for elementary, middle, and high students at schools with high poverty levels. • Sustaining Way will pilot a Nicholtown energy efficiency program in partnership with Duke Energy, Furman University's Community Conservation Corps, and the City of Greenville to provide upgrades to 70% of Nicholtown homes by the end of 2020. • Sustaining Way will increase the amount of healthy food produced in Nicholtown through (1) development and improvement of the neighborhood community garden, and (2) a neighborhood pop-up garden program.
	FY2020 Healthy Greenville, Too!	Empowering Nicholtown with Greater Access to Healthy Food, Nutrition Education, & Efficient Homes	$7,692.00	One Time	Sustaining Way (SW) requests $6,250 to support three initiatives that improve the health and well-being of Greenville's Nicholtown community, a low-income community with documented health struggles including a high rate of obesity, a high rate of high blood pressure, a high rate of substandard housing, and a lack of access to affordable, healthy food. These initiatives include our Steward Youth programs, Energy Efficiency programs and our Gardening programs. These initiatives have been designed with extensive input from the community and work to increase access to healthy food, improve residents' knowledge of nutrition and healthy behaviors, and help reduce utility expenses, eliminating the need for residents to choose between paying utilities or paying for medication and healthy food.
SWITCH			**$13,942.00**		
	FY 2019 Healthy Greenville, Too!	SWITCH Medical and Mental Health Services for Survivors of Human Sex Trafficking and Exploitation	$6,250.00	One Time	SWITCH's Restoration Program will provide up to twenty women in Greenville County who are survivors of human trafficking and sexual exploitation with comprehensive supportive services for short-term crisis management and long-term healing using a caring, individualized case management approach focused on "restoring" them to their full humanity. This will include a full spectrum of health interventions such as physical exams, mental health and drug counseling, and dental care, all provided under the supervision of a Clinical Director.

HEALTH GREENVILLE GRANT AWARDS - ALL PROCESSES - 2017 - 2021

	FY2020 Healthy Greenville, Too!	SWITCH Medical and Mental Health Services for Survivors of Human Sex Trafficking and Exploitation	$7,692.00	One Time	SWITCH's Restoration Program will provide comprehensive support services for up to twenty women in Greenville County who are survivors of human trafficking and/or sexual exploitation, including short-term crisis management and long-term integrated care using an individualized case management approach focused on targeted interventions and holistic restorative care. This will include a full spectrum of health interventions such as medical and dental exams and treatment, mental health counseling, substance addiction rehabilitation programs, and ongoing case management, all provided under the supervision of a Clinical Director.
Taylors Free Medical Clinic			**$281,340.00**		
	FY 2019 Healthy Greenville	2019 Enhancing Continuity of Care	$281,340.00	3 YR	TFMC will hire one part-time nurse and one part-time nurse practitioner both of whom will be responsible for providing patient care including intake, diagnosis, treatment, and educational services. The addition of this personnel will enable TFMC to increase the number of patient office visits to more than 5,000 visits annually.
The Phoenix Center			**$1,150,804.00**		
	FY 2018 Healthy Greenville	Integrated Prenatal Care & Substance Use Disorder (SUD) Treatment for Women (Magdalene Clinic)	$1,150,804.00	5 YR	We propose an innovative prenatal care model for women with SUD in Greenville to receive intensive care from a team of clinical experts. We aim to decrease the number of women with untreated/active SUD, improve perinatal outcomes for children, and break the generational cycle of substance misuse.
The Salvation Army			**$5,000.00**		
	FY2021 Healthy Greenville, Too!	Kroc Center's Musical playground	$5,000.00	One Time	The Salvation Army Kroc Center would like to upgrade the existing splash pad/playground area. To ensure the safety of the children, we would like to install shade protection over our splash pad area as well as other areas within the playground to seek relief from the effects of the sun. The upgrade includes outdoor musical play equipment. Please see this link to a sample of a musical playground: https://freenotesharmonypark.com/
United Housing Connections			**$500,000.00**		
	FY2020 Healthy Greenville	CHURCH STREET PLACE-CSP-Housing First Supportive Housing for Mentally Disabled Chronically Homeless	$500,000.00	3 YR	CHURCH STREET PLACE at Poe Mill (CSP)-a new state-of-the-art residential facility-will provide 36 Housing First (HF) permanent supportive housing (PSH) single room occupancy (SRO) efficiency units with an average rent range of $200/month or equal to 30% of social security or disability income for adults in our community who are experiencing chronic homelessness & suffering from mental illness & other disabilities. Modeled after the successful outcomes of UHC's existing HF PSH facility, Reedy Place, the goal for CSP is to provide housing stability for individuals with chronic, complex needs that are challenging to serve in other housing models & CSP will provide stability & a harm-reduction housing platform for health, wellness, access to high quality healthcare & assistance with changing or avoiding unhealthy lifestyles or behaviors for 36 chronically homeless individuals.
United Ministries			**$13,250.00**		
	FY 2019 Healthy Greenville, Too!	United Ministries' Part-Time Mental Health Professional	$6,250.00	One Time	United Ministries is augmenting our existing programs by providing free mental health services to our low-income and homeless participants though the addition of a part-time mental health professional to our staff. With $25,000 secured through Healthy Greenville Too!, your funding will be leveraged by funds secured from a private donor enabling us to provide three years of mental/behavioral health services to our participants.
	FY2021 Healthy Greenville, Too!	United Ministries Integrated Services	$7,000.00	One Time	United Ministries provides greater access to health through integrated services that assist Greenville residents who are living in poverty or families with children who are experiencing homelessness. Our combined wrap-around services discourage dependency on charity and promote the dignity of work by providing crisis assistance, education and employment assistance, and homeless services to Greenville citizens in need. We do this through five free programs: Emergency Assistance, Adult Education, Employment Readiness, Interfaith Hospitality Network (emergency shelter and interim housing for homeless families with children), and Place of Hope (day shelter for homeless individuals), and specialized services such as financial coaching and mental health counseling. Three of our programs (Adult Education, Employment Readiness, Interfaith Hospitality Network), along with two of our special services (financial coaching & mental health counseling) work together to strengthen social determinants of health, largely through two of the Greenville Health Outcomes: Social & Economic Factors and Clinical Care.
Unity Health on Main			**$540,170.00**		
	FY 2019 Healthy Greenville	Reducing Obesity/Diabetes Disparities and Increasing Mental Health Access in the Community	$540,170.00	3 YR	Unity Health and partners propose to serve aim the uninsured and under served Hispanic, African American, and other minority populations. Collaboratively, using a multi-generational and multi-level approach we aim to increase access to medical and mental health care, reduce obesity and diabetes disparities, and encourage healthy eating and exercise to reduce health risk factors.

Unity Sports			**$5,000.00**		
	FY2021 Healthy Greenville, Too!	28th Annual Unity Sports MLK Healthy Breakfast Program	$5,000.00	One Time	In 1995 we started the Dr. Martin Luther King, Jr Breakfast program and Soccer Fun Day. This has become our annual fundraising event to support the Soccer and youth development programs implemented throughout the year. The Breakfast program consists of a number of speakers, live performances, and a traditional American style breakfast heavy on fat, cholesterol and salt. For our 2022 breakfast we plan to change our menu to include tasty plant based options and serve foods have been shown to lower the incidence of heart disease and diabetes, two of the leading causes of disproportionate health disparities in communities of color. At the Soccer Fun day we want to eliminate the expected sugary treats and serve healthy foods proven to restore and enhance athletic performance. Our desire on MLK day is to encourage individuals to do what they can to make their community stronger by starting with the personal choices that will have a direct impact on their own bodies.
USC Educational Foundation			**$2,055,087.00**		
	2017 Grant Recipient	USC School of Medicine Greenville (USCSOMG): Creating Access for A Healthier Greenville	$2,055,087.00	4 YR	USCSOMG will develop frontline physician advocates within hospitals, educational settings, and community nonprofits. Through scholarships, leadership tracks, and nonprofit engagement opportunities, students will deliver clinical skills that help patients manage and sustain positive behavior change.
Upstate Circle of Friends			**$13,942.00**		
	FY 2019 Healthy Greenville, Too!	"Can I eat, too?"	$6,250.00	One Time	Upstate Circle of Friends Food Service Program has provided hot and nutritious meals to children at-risk for hunger since 2009, and beginning 2011 continued growing a network of feeding sites throughout Greenville. Each year UCF feeds an average of 1200 children, but with over 18% of households in Greenville County experiencing hunger, more needs to be done. UCF can add more feeding sites, reaching even more hungry children with the addition of a food delivery van and insulated food carriers, and with this request asking Healthy Greenville, Too to fund that need.
	FY2020 Healthy Greenville, Too!	Upstate Circle of Friends Neighborhood Mobile Café	$7,692.00	One Time	Upstate Circle of Friends Food Service Program has provided hot and nutritious meals to children at-risk for hunger since 2009. Thanks to Healthy Greenville Too, a food delivery van and insulated food carriers were added, helping UCF feed up to another 200 children during the 2019 summer program. This request asks for support to repurpose a school bus into a mobile café to reach another up to 200 children at risk for hunger during the 2020 summer who are not in a summer program by taking the food to them through an estimated six low-income apartment complexes. This will also make this mobile cafe available for use at other times of crisis as needed.
Upstate Fatherhood Coalition			**$548,013.00**		
	2017 Grant Recipient	Upstate Fatherhood Coalition - Access to Healthcare	$548,013.00	3 YR	UFC will implement a comprehensive health component designed to improve health outcomes and lifestyle choices of low-income noncustodial fathers and their children. Access to Healthcare will include education, access to health services, wellness and nutrition, and individual and family activities.
Upstate Warrior Solution			**$5,000.00**		
	FY 2019 Healthy Greenville, Too!	Healthy Veterans Initiative	$5,000.00	One Time	Upstate Warrior Solution's "Healthy Veterans Initiative," will establish a referral pipeline between Prisma Health and Upstate Warrior Solution. This will allow Upstate Warrior Solution to address the non-healthcare related needs our community's veterans may have, such as housing, education, and employment, that act as factors that lead to health problems. By doing so, we will be able to decrease the load on the hospital's case managers, and provide specialized care for veterans enabling them to become self-sustaining, productive members of our community who are stably housed, well educated, employed and will likely have fewer future health issues.
Urban League of the Upstate			**$6,250.00**		
	FY 2019 Healthy Greenville, Too!	Urban Girls Rock/Man Cave: Helping Greenville's Youth Make Healthy Life Choices	$6,250.00	One Time	Through the Urban Girls Rock and Man Cave (UGR/MC) summer leadership programs, the Urban League of the Upstate provides under-resourced students of color from Greenville County with a series of experiences and trainings that foster healthy self-care, relationship-building, mindfulness, and goal-setting. An extension of the Urban League's signature program Project Ready, which provides supportive services designed to keep youth on track for high school graduation and post-secondary success, UGR/MC is a two-week, single-sex "boot camp" that includes an evidence-based teen pregnancy prevention curriculum, conversations with role models from the community, and an out-of-town college tour and enrichment trip. The curriculum focuses on key elements of social-emotional, physical, and mental health, exploring concepts relating to relationship building, goal-setting and resiliency, mindfulness, affirmative consent, and sexual health.
YMCA of Greenville			**$7,000.00**		

HEALTH GREENVILLE GRANT AWARDS - ALL PROCESSES - 2017 - 2021

	Process Name	Project Name	Amount Awarded	Type	Briefly state a descriptive summary of the project
	FY2021 Healthy Greenville, Too!	Feeding Hungry Children	$7,000.00	One Time	The YMCA of Greenville is feeding hungry children in our community. At our YMCA Judson Community Center, we provide healthy and nourishing snacks every day in our Afterschool, Preschool, and Summer Day Camp. The children we serve at Judson are all on the free lunch program at school and many struggle with hunger at home. The snacks are absolutely critical in providing the nutrition needed for these children to grow and thrive. We seek to fully fund our snack program at Judson and also to purchase fresh fruit for our growing food bag program. That program is serving 200 families in need per week in our community, many of whom live in local motels or subsidized housing. All are on fixed income and struggle with providing nutritious food options for their growing children.
YouthBASE			**$13,942.00**		
	FY 2019 Healthy Greenville, Too!	Creating Opportunity for our Most Vulnerable Neighbors	$6,250.00	One Time	YouthBASE equips children in K5 through 2nd grade and their families with the skills and abilities to overcome Behavioral, Academic, Social and Emotional difficulties so they may succeed at school, home, and in the community. It is a free afterschool and summer program that ensures children are grade-level proficient by 3rd grade, demonstrate age appropriate behavioral and social skills, and that families are engaged in fostering their child's healthy development. Funding from Healthy Greenville, Too! will help close the gap of support for each child by providing individual and group support.
	FY2020 Healthy Greenville, Too!	Creating Opportunity for our Most Vulnerable Neighbors	$7,692.00	One Time	YouthBASE equips children in K5 through 2nd grade and their families with the skills and abilities to overcome Behavioral, Academic, Social and Emotional difficulties so they may succeed at school, home, and in the community. It is a free afterschool and summer program that ensures children are grade-level proficient by 3rd grade, demonstrate age appropriate behavioral and social skills, and that families are engaged in fostering their child's healthy development. Funding from Healthy Greenville, Too! will help close the gap of support for each child by providing individual and group support.
